## Help to pray: Midday hour

1. Choose a **Psalm** to read and use it to praise God. What is the Lord saying to you about Himself?
2. Write down a verse, a phrase, or even just a word, that particularly grabs you. Think and pray over it.
3. Choose a passage from the **Gospels**. What does it reveal about Jesus, His mission and His character?
4. Again, write down, then think and pray over any verse, phrase or word that particularly grabs you.
5. Choose a passage from the **New Testament letters**. What does it teach about what we must understand or how we must act as God's people?
6. Again, note something down and pray as you think it over.

## Help to pray: Evening hour

1. Ask God to lead you as you open your **Bible**. Then keep flicking through until you settle on a passage. What is He saying to you about Himself?
2. Again, write down and pray over what you find. How is He calling you to **respond**?
3. Ask God to speak to you about **your own relationship** with Him. What is He saying about your life as a disciple and your commitment to the church?
4. **Surrender** yourself to the Lord freshly as a living sacrifice (Romans 12.2), and particularly anything above which He brought to mind.
